ST BOSWELLS PUBLIC HALL REFURBISHMENT

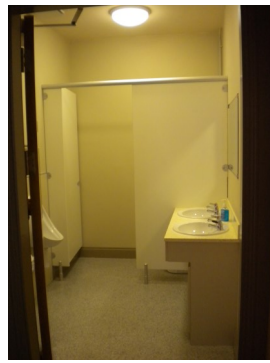

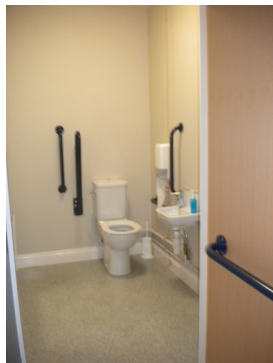

PROGRESS UPDATE NO 5; 31/05/2014

HALL REOPENED: Thursday 29 May 2014; with Roy and Christine Lawrie cutting the ribbon and St Boswells Concert Band providing the music.

NEW TOILETS: New toilets, including a disabled toilet has provided upgraded facilities for users of the hall and the refitted Lesser Hall is well supplied with wall mounted trunking to provide easy to access power for laptops etc.

THANKS : A big thank you to all out funders, small and large who have supported the project. There are still four packages of work to fund and complete:

- New **floor finish** to main hall
- Window **curtains** and stage curtains for main hall
- **Stage lighting** / sound system
- Repairs to the **gutters and rainwater pipes** on the street side.

Project supported by:
